- 25X1 1. Beginning [redacted] 1947, minefields were laid between Dubrovnik and Uscinj about 2,300 - 2,500 meters from the coast. This minelaying operation took place under the pretext of "maneuvers of the coastal flotillas" and was carried out by the Yugoslav war craft GALEB (an obsolete submarine), PROLETAR, KOLZARE, [redacted] together with the BAKUNIN, a Soviet destroyer based on Budva.
- 25X1 2. Another destroyer of the same type as the BAKUNIN, carrying no name [redacted] at Korcula [redacted] lay at anchor in the harbor
- 25X1 [redacted]
- 25X1 [redacted]
